1. I am coming to corporate America, I am coming to corporate America, I am coming to corporate every country who will embrace Me and watch Me—allowing Me to move in them.

I am not mammon. I am god. I am sovereign and nothing happens without My allowance. I have established many things, many systems, much order.
Mammon perverts, distorts, and supplants.

I am coming to those who will ear My name without shame, and give them cups of cold water in My name, in My name, in My name. Wisdom is coming to all who embrace Wisdom.

2. I am linking My leaders like never before, for Ted, isolation emasculates.

Synergy unifies, as unity synergizes.

Forces of Me are uniting and dividing and I am coming—I am here.
I am here. I am here.

Abandon the rules and let Me create and create I will.
I will create and stagnance will cease in My body—in My presence-seekers.

3. Tell them to watch for Me.
Obedience will conquer conquest.
Obedience will conquer mammon.
Obedience will conquer rules.
Obedience will bring My creativity.
My creativity will bring unity, synergy and abundance.

But Ted, by My rules—not their rules.
My rules are Me, Me, Me incarnate—the Living Bread, the Living Wine, the Living Creator—Me, In Mine, watch Me, watch Me, watch Me.
